

Tailor-made services for an exceptional stay

To make your stay as pleasant as it is memorable, we offer a selection of personalized services, carefully chosen for their quality, discretion and perfect knowledge of the area.

Well-being, gastronomy, activities, practical organization or exceptional moments: our team remains at your disposal to respond to all your desires.

For security and insurance reasons, no external service provider not referenced by our team is authorized to work in the villa or on the estate.

If you would like to organize an activity or hire a professional, please contact us: we will be happy to recommend trusted partners.

*Any confirmed service is considered payable, even in the event of cancellation. No refund will be granted

*The rates indicated in this document are provided for reference only and may vary depending on the season, availability, and the conditions applied by our service providers
